them wherever you are now.

Scribd offers a fascinating collection of all kinds of reading materials: presentations, textbooks, popular reading, and much more, all organized by topic. Scribd is one of the web's largest sources of published content, with literally millions of documents published every month.

Cad Standards Guideline University Of

CAD LAYERING CONVENTION OUA's standards for layering follow the American Institute of Architects (AIA) CAD Layer Guidelines, with some modifications.¹ The layer guidelines are organized as a hierarchy. This structure makes the list easier to use and accommodates future expansion. Layer names are alphanumeric and use easy-to-remember abbreviations.
