recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The RP1000 comes with 100 User presets (1-00) and 100 Factory presets (F1-F00). You can save changes to the User presets, but not the Factory presets. From the factory, the 100 User presets are exact duplicates of the 100 Factory presets. That way you can create your own presets without losing the sounds that came with the RP1000.
