Fire in the Minds of
Men: Origins of the
Revolutionary Faith.

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era.

Fire in Mind is an incredible book written by Arjay Lewis! This book drew me in from the very first page and I admit I had a very difficult time putting it down. The plot was very well developed and had a very nice twists hidden within that the author unraveled throughout the story. The pace of the book was just plain
