The book of "Advanced Microeconomic Theory" is based on my lecture notes that I have used for more than twenty years. I have added almost double the content of this notes into the book. The Chinese version of the book was already published in 2016. This book is full-fledged and rich in content, and has a wide range of topics, including almost all the typical themes in modern microeconomic ...

Lecture 1 Principles of Microeconomics
1. What is economics? 2. Economic way of thinking
Basic assumptions in economics: Scarcity: society has limited resources and therefore cannot produce all the goods and services people wish to have
Rationality: Selfishness, Cost / Benefit
Social science vs. natural science
The object of natural science is objective.

Economics 102 Lecture Notes

Microeconomics is the study of how

Online Library Lecture Notes On Microeconomics Wmboal

individuals and firms make decisions in a world of scarcity. Scarcity is what drives microeconomics. Basically, what microeconomics is is a series of constrained optimization exercises, where economic agents, be they firms or individuals, try to make themselves as well off as possible given their constraints.
