Onan J Generator Manual

Each Cummins Generator has a model/spec number description, which is shown on the serial number tag attached to the generator. Here is a representation of the tag on Onan QG 4000. Note the highlighted letter code, in this case P, which denotes the specification type of the particular generator, which can then be referred to as spec P.

RV Generator Manuals | Cummins Inc.

Thoroughly read the Operator Manual before operating the generator set. It contains important instructions that should be followed during operation and maintenance. Safe operation and top performance can only be achieved when equipment is properly operated and maintained.
