Certainly, Othello's final speech is not all that one might wish for—his claim to be "one not easily jealous" is open to question, and his claim that he "loved not wisely but too well" seems both an understatement and an exaggeration (V.ii. 354, 353). Further, Othello's invocation of his own military triumphs might be seen as another example of Othello dangerously misordering his ...

Othello Key Questions: Key Questions and Answers | SparkNotes

Othello's adherence to his warrior values and accepted gender role is the main catalyst for his last tragic flaw, hubris. Othello's background as a "brave" and "valiant" soldier experienced through the accumulative "battles, sieges and dangers" instils in him values of courage, pride and insensitivity towards death.
