review.

LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Personal Finance Fifth Edition Brad

Personal Finance takes a hands-on approach to building a financial plan. The text's seven parts each cover one section of a financial plan; Chapter 21 is the capstone. A running example throughout the book and a variety of end-of-chapter cases reinforce the practical aspects of planning.
