How Physical Education in Schools Benefits Students

Physical education (PE) is the most powerful (and unappreciated) 'medicine' for present and future health issues - For the body, mind and spirit. When you look at the section below and some of the quotes from respected world organizations, you can see why we say nothing is better than physical education.

The Tremendous Benefits of Physical Education in School

Advantage Press has expanded its reach to physical education teachers by developing highly regarded Physical Education programs. These sports and activity lessons promote reading and writing and provide the means to assess student learning and justify grades.

Academic Learning Packet Physical Education Volume 2 ...

Physical education is highly inefficient; there are countless more efficient ways of ensuring a healthy population than forcing students to run a lap once a week, a simple change in their diet to healthier foods and walking instead of driving to school would do just fine (NCCDPH). Taking away freedom of choice for students is a big mistake since ...
