Mind mapping is hyper-simple, the uni-tasking way of making a book - one Crayola circle at a time. From map to book Getting your map from crayon to MS Word depends where you are in the story-writing process. If you're at the beginning, a mind map usually transfers well to prose.

How To Create An Effective Mind Map For Your Book

After reading this book and experimenting with Mind Mapping myself, I do believe that our usual writing system does not enable our brains to function effectively and Mind Mapping is a major improvement over it. Mind Mapping is based on a few basic principles summarized as follows:*

- * Represent concepts with keywords*
- * Make associations*
- * Organize into hierarchy*
- * Visualize concepts using images*
- * Stimulate your brain with colors and symbols*
- * Order and emphasize according to importance
